

AP Music Theory Summer Assignment

Name:

- Label the four clefs
- Label each note

- Draw and label the remaining 8 clefs
*There are 2 indefinite pitch/neutral clefs

-Label the intervals

A musical staff in G clef. Notes are placed on the first, third, and fifth lines. Intervals between them are labeled: a perfect fourth (P4) between the first and third lines, a perfect fifth (P5) between the first and fifth lines, and an octave (O) between the third and fifth lines.

A musical staff in F clef. Notes are placed on the first, second, and fourth lines. Intervals between them are labeled: a major second (M2) between the first and second lines, a minor second (m2) between the second and fourth lines, and a major seventh (M7) between the first and fourth lines.

-Label the intervals

-Next to them, write their inversions

-Label the inversions

*freebie!

A musical staff in G clef. Notes are placed on the first, third, and fifth lines. Intervals between them are labeled: a perfect fourth (P4) between the first and third lines, a perfect fifth (P5) between the first and fifth lines, and an octave (O) between the third and fifth lines.

ex. P4 P5

A musical staff in F clef. Notes are placed on the first, second, and fourth lines. Intervals between them are labeled: a major second (M2) between the first and second lines, a minor second (m2) between the second and fourth lines, and a major seventh (M7) between the first and fourth lines.

-Label the compound intervals

*Compound intervals are at least 9ths

**Have fun!

A musical staff in G clef. Notes are placed on the first, third, and fifth lines. Intervals between them are labeled: a major second (M2) between the first and third lines, a minor second (m2) between the first and fifth lines, and a major ninth (M9) between the third and fifth lines.

A musical staff in F clef. Notes are placed on the first, second, and fourth lines. Intervals between them are labeled: a major second (M2) between the first and second lines, a minor second (m2) between the second and fourth lines, and a major ninth (M9) between the first and fourth lines.

- Write the following scales ascending to the octave
- Each example will request either key signature or accidentals
- *Some may need both!

G Major - key signature

Ab Natural Minor - key signature

Eb Dorian - accidentals

G# Melodic Minor - key signature (ascending and descending) **different each direction

B Lydian - accidentals

F Mixolydian - accidentals

C Harmonic Minor - key signature

D Major - key signature

AP Music Theory Summer Assignment

-Label the triad chords and inversions

-Write the triad chords

Four musical staves showing triad chords and inversions:

- Top staff: C# dim 1st inv.
- Second staff: Db Maj 2nd inv.
- Third staff: A+ Root
- Bottom staff: C Maj 2nd inv.

Four musical staves showing triad chords and inversions:

- Top staff: C# Maj Root
- Second staff: B dim 1st inv.
- Third staff: Eb dim Root
- Bottom staff: G min 2nd inv.

-Label the seventh chords and inversions

-Write the seventh chords

Four musical staves showing seventh chords and inversions:

- Top staff: C min7 2nd inv.
- Second staff: Eb7 Root
- Third staff: D Maj7 3rd inv.
- Bottom staff: Gb minMaj7 Root

Four musical staves showing seventh chords and inversions:

- Top staff: F# halfdim7 1st inv.
- Second staff: C7 1st inv.
- Third staff: E dim7 3rd inv.
- Bottom staff: Ab Maj7 2nd inv.

-Label the Roman numerals

-Label the cadence

A musical score consisting of two systems of four measures each. The key signature changes from D Maj to Ab Maj to g min to e min.

D Maj:

Ab Maj:

g min:

e min:

- Write the chords based on the Roman numerals
- Two notes per staff
- Double the root for triads
- Label the cadence

A Maj:

I

vi

IV6

V7

I

c min:

i

iv

ii6

V

VI

*Major chord
*raise leading tone

Advice:

- write the notes out first
- look for common notes and hold them as much as possible
- the less motion between chords in each voice the better...keep it tight!
- don't make adjacent voices further than an octave from each other (except bass/tenor)
- V chords in minor keys are always major chords (you must put an accidental in)
- try your best...I'm not grading part-writing rules you haven't learned yet, I just want you guys to try

-Singing Practice: Please review the following exercises

1. Major Scales
2. Natural Minor Scales
3. Harmonic Minor Scales
4. Melodic Minor Scales
5. Major Scales in Thirds
6. Natural Minor Scales in Thirds
7. Ascending intervals in Major Scales
8. Descending intervals in Major Scales
9. Diatonic triads in Major Scales
10. Chromatic Scales
11. Arpeggiating 7th Chords

-These are all the exercises we did in class throughout the first three quarters
