GUIDELINES FOR SPORTS

1. Playing on a sport is a privilege, not a right.
2. Daily communication between student/coach during the season is very important. Students should first communicate with coach any concerns.
3. For parents-team strategy & playing time will never be discussed with a coach-students may approach the coach on this matter.
4. Communication protocol for parents regarding all other concerns-
 - a. Student/parent to coach
 - b. Student/parent to Athletic Director
 - c. Student/parent/A.D. to Administration
5. Student/athlete's first obligation, while in season is to their St. Francis interscholastic team.
6. Coaches will set goals & expectations for their individual team. Any violation of a team policy will lead to consequences up to possible removal from the team.
7. Being respectful to others & showing good sportsmanship is expected at all times.
