

Logistics: Enter the Hyatt via the Park Avenue entrance at 42nd street

Check in is on the street level when you enter on Park Avenue. If you enter on 42nd between Park and Lexington, you must take the escalator up on flight to the sign in area. Signs will direct you..

Once you check in you will be given a wristband to wear. You must check in 8:30 by the latest you may enter the prom. YOU MUST HAVE ID FOR YOU AND YOUR DATE IF THEY ARE NOT FROM PREP. ID is required for check in. Party starts at 7pm with your welcoming reception

Professional Photos: Walking around no room set up.

Attire: We spoke about this before---MODESTY and Appropriateness is expected, especially for the girls... Ladies, If you have chosen otherwise, depending on the severity of your dress choice, you will either be required to wear a wrap to cover up. Or you will be asked to leave. You were spoken about this earlier in the year, so we hope you listened.

Your behavior from the minute you walk into the Hyatt reflects Prep. Do not embarrass yourself and tarnish the reputation we have with the Grand Hyatt with misconduct.

PreGaming and Drinking: We will have a breathalyzer on site. If you look like you have been drinking, we will take appropriate actions to check. Those of you who know me know that I don't play around. We are a family and we have to look out for one another---simply put: drinking is a bad idea, not only from a legal and health standpoint, but from a School policy standpoint as well. DON'T DO IT.

Party ends at 12:00 midnight. You may leave earlier if you like, but If you choose to leave you MAY NOT REENTER. All Exits are final.

Make yourself a check list for Prom. Include things like: ID CARD, LICENSE, KEYS, MONEY, ETC. That always helps.

MOST OF ALL, Have fun! This is a once in a lifetime event. Make lasting memories
