

The Crusades: Placing Events In Time

The following series of events is listed in random order. Find the correct date for each event in the text. Then complete the time chart. Write the earliest event at the top and list the other events in chronological order below it. When you have completed the time chart, answer the questions that follow.

- _____ Saladin recaptures Jerusalem.
- _____ First official crusade crosses from Constantinople to Asia Minor.
- _____ Byzantine emperor asks Pope Urban for knights to fight the Muslim Turks.
- _____ Crusaders attack Constantinople.
- _____ Seljuk Turks take Palestine.
- _____ Muslims recapture Acre.
- _____ Children's Crusade sets out for the Holy Land.
- _____ Crusaders take Jerusalem.

Date	Event
