St. Francis Prep Mission Statement

St. Francis Prep is a Catholic, college preparatory school in the Franciscan tradition. We value the unique contribution each person makes to the Prep community. Together we create an environment filled with academic success, respect, integrity, and joy.

GRADING SYSTEM

St. Francis Prep is a highly competitive academic high school. The passing grade is 75%. All subjects are included in the student's cumulative grade-point average. All academic courses are NY state Regents Level or above. Courses are designated H to denote Honors. In calculating GPAs, four quality points are added to the student's total point aggregate, not individual grade, for all Honors courses. Advanced Placement courses receive 6 quality points.

GRADE EQUIVALENCY

A student’s GPA includes all grades. Honors and Advanced Placement courses are weighted. Four quality points are added to the student’s aggregate point total for honors courses in calculating the cumulative GPA and 6 quality points for Advanced Placement courses. These points are not added to the final grade that appears on the transcript but factor into GPA calculation. The student's cumulative GPA is listed under GPA summary. Regents exam grades 90-100 are required to complete four years of religion (2 units). A variety of elective courses are offered in junior and senior years.
